

# Fall 2013 Scandinavian Dance and Music Workshop

## Dance and Music from Norway

Salt Lake City, UT — October 10-13, 2013

### Instructors

**Ginny Lee** and **Toby Weinberg** have been performing and teaching Norwegian dance and music together as part of the ensemble Vestafor for more than a decade. Toby is widely recognized as one of the leading hardanger fiddle players in North America. He is also an accomplished performer and teacher of other Norwegian instruments including ordinary fiddle, seljefløyte and munnharpe. As a dance and music teacher, Toby has a special interest in teaching the ways in which the music molds and enlivens the dance. Ginny together with Mikkel Thompson was the leader of the Nordahl Greig Barneleikarring for around 10 years. She has taught workshops and courses for adult and children's dance groups across the country both on her own and together with Vestafor. Ginny has been dancing all her life: first as a partner to her mother teaching dance and for the last 20 years with a special focus on teaching and performing Norwegian traditional dance.
